

NanoGVA Galenus Symposium

[13-14.10.2021 Campus Biotech](#)

[15.10.2021 CMU](#)

13.10.2021	Description	Name	Title
08.30-9.45	<i>Welcoming coffee</i>		
10.00-10.15	<i>Opening Ceremony – Benoit Dubuis, Dr. Cornelia Sonntag, Prof. Dr. Gerrit Borchard</i>		
10.15-11.00	Keynote Speaker	Twan Lammers	Smart strategies to promote cancer nanomedicine performance
11.00-11.30	Presentation	Inge Herrmann	Multiscale Multimodal Characterization of Inorganic Nanotherapeutic
11.30-12.00	Presentation	Olivier Jordan	Characterization challenges for self-assembled hydrophilic nanogels
12.00-14.00	<i>Lunch break and poster presentation</i>		
14.00-14.30	Presentation	Scott McNeil	Nanomedicines: 'Characterization, caractérisation, die Charakterisierung!
14.30-15.00	Presentation	Fanny Caputo	Measuring physical properties of nanoparticle enabled medicinal products. A step by step approach combining complementary measurements with increasing complexity
15.00-15.30	<i>Coffee break</i>		
15.30-17.00	Presentation	Industrial presentation	PNS Microfluidics DLS Instrumat NTA Particle Metrix Izon
17.00-17.30	<i>180 seconds presentations</i>		
17.30-	<i>SOCIAL EVENT - WINE TASTING</i>		

NanoGVA Galenus Symposium

[13-14.10.2021 Campus Biotech](#)

[15.10.2021 CMU](#)

14.10.2021	Description	Name	Title
09.45-10.00	<i>Opening the second part</i>		
10.00-10.30	Presentation	Patrycja Nowak-Sliwinska	How to prepare your worst presentation
10.30-11.00	Presentation	Matthias Rösslein	Determining what really counts: Modeling and measuring nanoparticle number concentrations – Particles Number Concentration
11.00-11.30	<i>Coffee break</i>		
11.30-12.00	Presentation	Olivia Merkel	Pulmonary siRNA delivery against respiratory virus infections
12.00-14.00	<i>Lunch break and poster presentation</i>		
14.00-15.00	Presentation	Industrial presentation	AF4 Postnova NanoAnalyzer NanoFCM
15.00-15.30	<i>Coffee break</i>		
15.30-16.00	Presentation	Dimitri Ruiz	From academia to industry: steps for a successful job search
16.00-17.00	AWARD CEREMONY
